## **The Preferred Financial Services Company**

### **About Our Company**

Founded in 1991 by Lee Erhard, GCI Capital, Inc. set out to provide a level of dependable, personal service that would be unmatched in the industry.

By partnering with community and regional banks, GCI provides unique financing solutions for our clients.

Over the past decade, GCI has closed over (2) Billion Dollars of transactions in:

- Commercial real estate
- Equipment term credit transactions
- High tech leases for some of the nation's leading companies

GCI's exceptional closing record is due to our in-depth knowledge of our funding sources. Because we know what kinds of transactions our funding sources are looking for, their lending limits, and who would be a good "loan partner" for them, we are able to streamline the matchmaking process.

Call GCI when you are ready to do business!

*A history of personal service and integrity.*
